Environment

- Landscaping
- Small-scale gardening
- Plant identification
- Scouting (BSA)

EMPLOYMENT HISTORY

DMC Services (Gardiner, Maine) - Employee (2015-2018)

Working alongside my father in a family business allowed me to gain valuable first-hand experience with landscaping. I helped mow lawns, repair equipment, care for plants, and complete projects in a timely manner.

Camp Bomazeen, Pine Tree Council (Belgrade, Maine) - Junior Staff Member (June 2016-present)

Working at a Boy Scout camp gave me the opportunity to explore different fields—both literally and figuratively. Instructing a wilderness survival program helped me to sharpen my own skills as well as develop a love of teaching.

Hannaford Supermarket (Gardiner, Maine) - Part-Time Cashier (October 2017-present)

Working as a cashier has given me experience in the community in a fast-paced environment.

Freelance (2012-present)

In addition, I also complete various design-related assignments. The most notable of which include of staff t-shirt designs, small-business logos, and tattoos.

EDUCATION HISTORY

Maine Connections Academy (South Portland, Maine) - High School Student (2014-2018)

A virtual learning environment has helped me to learn valuable time-management skills. I have taken Honors, AP, and Dual-Enrollment classes where available.

National Honor Society Member (2016-2018), President (2017-2018)

As president, I am planning two service projects in the community as well as fulfilling other responsibilities.
